Wrinkles

Around the Eyes

Are usually caused by defective sight. Many women, and likewise men, look prematurely old from these wrinkles. The wrinkles in many cases can be removed by wearing correctly fitted glasses. To fit glasses correctly demands a thorough knowledge of refraction and the necessary instruments. We have both; hundreds of satisfied customers will say so.

NEGROES ATTACK WHITE BOYS.

Robt. Idol and Frank Haithcock of Winston Attacked Last night.

A Winston gentleman who was in the city this morning informed the Telegram that two young white boys, Robt Idol, employed in the Peoples' National Bank, and Frank Haithcock a grocery clerk, were attacked by negroes last night and Idol was badly hurt. The young men had gotten off a street car and were walking toward their homes a short distance beyond the termination of the car line. Haithcock noticed they were followed by a party of negroes and called the attention of Idol who turned and asked the negroes what they wanted. A negro stepped from the crowd with a knife in his hand, and with a threat bounded at Idol. Idol, though only about 17 years old, tackled the negro and threw him, wrenching the knife from his hand. While bending ove the negro beating him, Idol was hit on the head by a sharp rock thrown by one of the other negroes. The rock cut to the bone making an ugly and painful wound. The negroes soon dispersed, and had not been arrested this morning.

A BATTLE WITH HOBOES.

Who Were Finally Left By the Roadside Sorrowing.

Yesterday afternoon as a westbound freight train was leaving town it was boarded near the coal chute by three hoboes. The conductor discovered them, and aided by the flagman, started to put them off. The tramps showed fight, however, and a bloody battle ensued. One tramp, who was lame and used a crutch, had it broken during the fight. Another tramp, an Irishman, received a bad cut on the leg. It is not known if the train men were hurt, but they succeeded in putting the tramps off and went on.

But the hoboes were in a pitiful plight. The lame one had no crutch, and another was so badly cut that he was hardly able to walk.

Policeman Jeffries went to the scene, but not wishing to place any doctor bill on the county, and on a pitiful plea from the tramps that they be allowed to move on, he let them go, making some ragged efforts at hopping and walking.

Revenue Officers Fight.

Yesterday afternoon two revenue officers, Stewart and Thrasher by name, went to Clegg's cigar factory, in the Clegg building on South Elm street and demanded admission. Mr. Clegg was away and his younger brothers, Zeb and Bynum, were unable to find the keys to the door.

As the search continued one of the officers grew impatient and tried to force the door open. The Clegg boys objected and a fight ensued. During the fracas Officer Stewart received a blow that gave him one of the most prominent eyes that ever appeared in the mayor's office.

Policeman Scott arrested the quartet for an affray, and they were tried yesterday afternoon before Mayor Taylor, who adjudged Zeb Clegg and both revenue officers guilty. Bynum Clegg was acquitted.

Hear Kitchin Tonight.

Escaped Convict Captured.

Deputy Sheriff George Hodgin, last night caught Robt. Gray, white, an escaped convict, a few miles south of the city. Gray escaped in September, having served four months of a three year's sentence for robbing a whiskey distillery. He ran from right among the guards, and five shots were fired at him; one, he says, coming so close that it almost touched his ear.

He was taken back to the roads this morning.

One of Thacker & Brockmann's customers wore a pair of their $2.50 Harvard Goodyear welt shoes eighteen months. These shoes are wide and easy, made with think sole, are made congress and laced, all sizes from 5 to 11.

GOVERNOR'S PROCLAMATION

Talks of Lawlessness in Richmond and Robeson

HE "COMMANDS" THE PEOPLE.

He Calls Upon Judges, Magistrates, and Sheriffs to Arrest Offenders and Guilty People.

Governor Daniel L. Russell yesterday issued the following proclamation:

A PROCLAMATION BY THE GOVERNOR.

Whereas, The constitution of the United States secures to every state in this Union a republican form of government, protection from invasion and freedom from domestic violence; and

Whereas, The constitution of North Carolina guarantees to all the people of the state the inherent right to fully regulate their own internal government; to peacefully assemble for the purpose of consulting for their common good; to hold peaceable and quiet elections; and to discharge and exercise in an orderly and quiet way the manifold duties and privileges of good citizenship; and

Whereas, The constitution of this state, and the laws made in pursuance thereof, forbid that any citizen shall be deprived, or restrained of his liberty, but upon indictment for, and conviction of crime; and

Whereas, It is ordained in the same constitution and laws of this state that the writs for the protection of the citizen, and the processes of the courts for the protection of society shall never be suspended, neither by usurping Executive, nor by turbulent mobs, using the weapons of intimidation and violence; and

Whereas, It has been made known to me, by the public press, by numerous letters, by the oral statement of divers citizens of the state and by formal written statements that the political canvass, now going forward, has been the occasion and pretext for bringing about conditions of lawlessness in certain counties in this state, such, for example, as Richmond and Robeson counties; and

Whereas, It has been made known to me, in such a direct and reliable way, that I cannot doubt its truthfulness, that certain counties lying along the southern border of this state have been actually invaded by certain armed and lawless men from another state, that several political meetings in Richmond and Halifax counties have been broken up and dispersed by armed men, using, threats intimidation, and in some cases, actual violence, that in other cases property has been actually destroyed and citizens fired on from ambush, that several citizens have been taken from their homes at night and whipped; that in several counties peaceful citizens have been intimidated and terrorized by threats of violence to their persons and their property, until they are afraid to register themselves preparatory to exercising that highest duty of a freeman, the casting of one free vote at the ballot box for the men of their own choice in the coming election:—

Now, therefore, I, Daniel L. Russell Governor of the State of North Carolina, in pursuance of the constitution and laws of said state, and by virtue of authority vested in me by said constitution and laws, do issue this, my Proclamation, commanding all ill-disposed persons, whether of this or that political party, or of no political party, to immediately desist from all unlawful practices and all turbulent conduct, and to use all lawful efforts to preserve the peace, and to secure to all the people the quiet enjoyment of all their rights of free citizenship.

And I do further command and enjoin it upon all good and law-abiding citizens not to allow themselves to become excited by any appeals that may be made to their passions and prejudices by the representatives of any political party whatsoever; but to keep cool heads, and use their good offices to preserve the public peace, and to protect every, the humblest citizen, in all his rights, political and personal.

And I do further command and enjoin it upon all judges and other civil magistrates, and upon all solicitors, sheriffs and other officers of the law, to use their best efforts under the constitution and laws of the State to apprehend and bring to speedy trial all offenders against the persons and property and the political and civil rights of any and all persons in this State whomsoever.

And I do further command and require that all persons who may have entered this State from other States, in pursuance of any unlawful purpose to instantly disperse and leave this State, upon pain of being arrested and dealt with according to law.

Done at our city of Raleigh, this, 25th day of October, in the year of our Lord one thousand eight hundred and ninety-eight, and in the one hundred and twenty-third year of our American independence. Daniel L. Russell.

Miss Lilly Hastings, one of the popular lady clerks of Sapp's Racket Store, is at home suffering very much with sore throat.

Arthur Vivian, of Liverpool, an old sea dog, was in the city last night looking for the chief of police. He said that the day before he went to a place in the outskirts of the city with a negro to get a little "bust-head," and as he could not get it, that the negro asked him to stay in a house nearby until he returned with it. When the negro returned another negro appeared and leveled a Winchester on him and tried to rob him. He said he thought it too bad for a man who had served in the British army and navy, and later in the American navy to be held up in a little negro but by two negroes.

Read the letter in to-day's Telegram from the president of the Young Ladies Democratic Club. This lady is a very popular, highly accomplished and patrotic young lady, and is working for a great cause. Success to her and her club.

EVEN THE DAUGHTERS

Can Help in The Present Political Crisis.

With the election drawing so near, comes the cry from all over our dear Old North State, to rally our forces so that the eighth of November will not find us sleeping, but with our lamps trimmed and burning.

If help was ever needed in our beloved state, it is now in the great cause of White Supremacy. It is inspiring to think, every one of us, even the daughters of the state can help in such a crisis, even if to be in only a small way. For it is after all the little things of life that count.

Then we will be more prepared to usher in, with a steadfast hope the 8th of November, and to joyfully take our part in the glorious victory so nobly won. For that which is worth having is worth striving for with all our might.

"Let us then be up and doing,
With a heart on conquest set."

Who shall say the fervent prayers of good men and good women going up from all over the state will not be answered? I tell you they will be, for Faith cannot be unanswered, her feet are firmly planted on the rock.

So courage men, courage! The great heart of the state throbs and answers nobly to the trumphet call—To the front—and so with a few more mighty pulls our beautiful bark will be ushered into the peaceful haven of White Supremacy.

THE DUTY OF WHITE MEN.

Resolutions Adopted by the White Man's Club of Oak Ridge.

In view of the alarming condition of Eastern North Carolina under negro rule, of the constantly increasing disposition of the negroes to band together, and their increasing insolence as has been shown right here among us during the last two days, when a negro, George Brooks recently arriving from South Carolina called the democratic registrar, Mr. A. S. Clark, a liar, and another negro, Bill Young, drew a pistol on Dr. A. S. Cook and family; and in view, further, of the spilling of white blood in the county of Robeson, as reported in the morning papers.

Resolved 1. That we deem it the duty of every decent white man, regardless of his views on National politics to come to the rescue of his race in this State. This year there is but one issue which overshadows all others: Shall the white man or the black man rule in North Carolina?

Resolved 2. That we will not regard those white men who desert their race in this hour as worthy of as much respect as the negro who is at least faithful to the ties of nature and votes solidly, thus indicating to white men everywhere to stand to their race.

Resolved 3. That the solid vote of the negro, ignorant as it is and often led by vicious men, is equally a menace to the counties of middle North Carolina, and that men that aid and abet this condition of things in this community should not be tolerated socially by white men.

Resolved 4. That a copy of these resolutions be placed in the hands of every white man in this township and community, and that we appeal to all as they love their wives and families and their race to join in our effort to redeem the State.

WITHOUT AN ISSUE?

Those republican-populists of Guilford county who are claiming that the democrats of North Carolina are without an issue and are forced to cry "negro" to ride into office, are asked to read the following, taken from the Newbern Journal:

"The following card speaks for itself. It is signed by men who would lend their names to no unworthy cause. In every instance they are men highly respected: and occupy an exalted position in the commercial circles of our city. Messrs. Hawk and Aberly are connected with the Pine Lumber Company; Mr. Cooper with the Trent Lumber Mills; Mr. C. L. Ives has an interest in several large lumber firms, while Mr. Geo. N. Ives is well known to the people of North Carolina as a wholesale shipper and packer of fish and oysters.

These men were originally from the north, as the card tells. But they believe that intelligence and decency shall rule. The card is commended to the careful attention of all republicans.

To Our Fellow Citizens of North Carolina:

Prior to our residence in North Carolina, we, the undersigned, invariably supported the republican ticket. We still believe in fundamental principles of the republican party; But we here and now distinctly announce our intention of voting the democratic ticket at the coming election.

For the past two years we have witnessed the fruits of a republican administration in North Carolina. It has resulted in a condition which is sufficient to call forth a protest from every self respecting white man. We firmly believe in Anglo-Saxon supremacy, and will therefore vote to abolish the present disgraceful state of public affairs in North Carolina.

We earnestly appeal to all republicans who believe in white supremacy to unite with us in our effort to restore good and honest government in the old North State.

(Signed) Joseph E. Hawk,
W. F. Aberly,
J. L. Cooper,
C. L. Ives,
Geo. N. Ives.

It is said that S. B. Adams, candidate for congress in the Fifth district, claimed to be for free silver in 1896 and then voted for McKinley. It is now in order for Mr. Adams to clear up the charge. If he cannot he ought to resign and let a man who has never broken faith succeed him.—Progressive Farmer.

It has been in order for some time for the ex-judge to clear up this charge; but it is still unanswered by him. But it's no use for him to resign; there is a man in the field who has never broken faith nor dodged a discussion of the issues. We point with pleasure and pride to Hon. W. W. Kitchin, who will succeed himself.

Russell the Kusser, who disgraces the chair once occupied by the immortal Vance, has issued a stump speech which he calls a proclamation. In that speech he commands and enjoins the people of North Carolina to behave themselves and not get gay during these election times. The people of North Carolina admire cheek; it goes all right for awhile, but pretty soon they will issue a proclamation commanding the festive and kussing governor to remove his revolver and double-barreled shot gun from the executive office.

Spencer Blackburn, in his recent Statesville speech, unconsciously admitted the unworthiness of the fusion cause in North Carolina, and Senator Pritchard, in his call for federal troops, unwittingly admitted the hopelessness of it.

RINGS LIKE A BELL.

Maj. W. A. Guthrie, Denounces Federal Interference.

Durham, N. C., Oct. 25, '98.

Hon. F. M. Simmons, Chairman,
Raleigh, N. C.:

Dear Sir—Your invitation tendering to me the honor of presiding over the "White Man's Convention" at Goldsboro, on the 28th inst, has been received, and under the circumstances, I accept the same with pleasure.

Up to the present time I have not taken any active part in this campaign and my intention was to refrain from doing so, until I read today's dispatches from Washington to the effect that the President and his cabinet are being importuned by men in high official position to send Federal soldiers to North Carolina to interfere with our local affairs and to uphold by the aid of Federal bayonets those who would perpetuate, if they could, the present disgraceful condition of our local state government.

The time was, thirty years ago, at the end of the civil war, when such things had to be tolerated, but no true hearted southern man, who lived through the reconstruction period, can wish to see a repetition of those dark and stormy days, when civil law was dominated by military strength to uphold partisan local government.

It is high time now for all true North Carolinians to arouse themselves from their lethargy and come together as one man with one mind, determined that our Anglo-saxon civilization shall be preserved.

The true white men of North Carolina, who love our state, should come together regardless of past party affiliations, and go the polls on the 8th day of November with the fixed resolution that the present condition of public affairs in our state shall be changed, so that men whose chief business in life has been demonstrated to be that of trading on party fealty as the means of getting for themselves personal gain, shall be driven from power and place, and that those who succeed them shall be worthy and competent to guide the future destiny of our good old State

Yours truly,
Wm. A. Guthrie.

Three Doctors in Consultation.

From Benjamin Franklin.

"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place; what reason (i. e. Theory) says is best is to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. How to Look Good.

Good looks are really more than skin deep, depending entirely on a healthy condition of the vital organs. If the liver is inactive you have a bilious look; if your stomach is disordered you have a dyspeptic look; if your kidneys are affected you have a pinched look. Secure good health and you will surely have good looks. "Electric Bitters" is a good alterative and tonic. Acts directly on the stomach, liver and kidneys, purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at C. E. Holton's drug store. 50 cents per bottle.

Kicking themselves around the Block is what people often feel like doing when they see the exquisite Laundry work on their friends Shirts, Collars, and Cuffs that has been done up by our superior methods, and realize that they have been giving their own work to an inferior washer-woman at nearly the same price we charge. Come to see us and see if we can not make it to your interest to patronize us.

BOYD SPEAKS IN RALEIGH.

Whoops Up a Court House Full of Russell's Savages.

Col. Jeems Boyd, who has come down all the way from Washington to lend a tinge of administration endorsement to the attempt to negroize North Carolina still further, and to give his voice, counsel and sweet presence to cheer the wavering Fusion managers, whooped up a court house full of Russell's savages last night. Congressman White, who wants to sit in the white row at the circus, and Lee Person, of Edgecombe, who advised negroes to go to the polls, "armed with rocks, sticks and pistols," and afterwards denied it, assisted at the function.

Mr. Boyd spoke first, and for an hour or such a matter, devoting considerable time to a lame attempt to break the force of exposure of the Russell-Pritchard scheme to bring Federal troops into the State to supervise the election, and intimidate Democratic voters. It was said, however, by those who heard him that he dealt entirely in generalities and did not mention Senator Pritchard's letter.—News and Observer.

How to Prevent Croup.

We have two children who are subject to attacks of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy, and it always prevents an attack. It is a household necessity in this county and no matter what else we run out of, it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than of all other cough medicines combined.—J. M. Nickle, of Nickle Bros., merchants, Nickleville, Pa. For sale by C. E. Holton.

A Kansas paper stated the other day that George McGinnis, one of the colored soldiers in Cuba, had sent home $75 of his pay to his mother. As the members of the regiment specified had only received $30 of their pay, the readers of the item were much puzzled; but the next day the paper explained that McGinnis was "the luckiest coon who ever shot craps."

The old Bradlee House, at the corner of Tremont and Hollis streets, Boston, built in 1771, and long one of the historical land-marks of that city, is being torn down to make way for a modern business structure. In its kitchen the ringleaders of the Boston Tea Party disguised themselves as Indians before going to the wharf where the cargo of tea was thrown into the waters of Boston Harbor.

A "Lega Contro il Contello" (League against the Knife) has been formed among the workingmen of Rome, its object being to aid in enforcing the law against the carrying of that weapon. Knives are the instruments used in the perpetration of upward of 4000 homicides in Italy annually.

The increasing number of robberies in France has led to the formation of an assurance society against losses by theft. The New York Tribune suggests that it might pay such a society to start a school of thieves, as the more widely the latter ply their trade the greater is likely to be the success of the new enterprise.

The Social Standing

of most men is much higher than the sum of their income. To such men it must be good news to learn that they do not have to pinch themselves in order that they may pay the extravagant tailor's bills. We sell perfectly fitting clothes for business, semi-dress or full dress occasions of unquestionastyle and superb qualities at prices which permit the saving of almost half tailor's bills. Our best clothes are made by the famous New York tailors, Messrs. Fecheimer, Fishel & Co., whose label on every garment is a guarantee that the clothes are equal to "custom made" in every particular. Therefore, whether it is a sack suit, a cutaway or a Prince Albert frock, a pair of trousers, a top coat or an overcoat that you need, do yourself the justice to at least see our offerings—and then go to your tailor if you like—but you won't.
